Cancer Support Community North Texas is hosting Tig Notaro, the Emmy and Grammy nominated comedian, for a live performance at the Eisemann Center on **May 31, 2018!** This internationally recognized comedian's name should ring a bell, she was named one of Rolling Stone's 50 best comics of all time! Tig is coming off her critically acclaimed semi-autobiographical Amazon series, *One Mississippi*, that she wrote, produced and starred. The series yielded several nominations including - WGA, GLAAD and The Critic's Choice Awards.

In 2013, Tig was nominated for a Grammy Award for her sophomore release, *Live*, which sold over 100,000 units in just six weeks. *Live* is a stand-up set delivered just days after Tig was diagnosed with invasive bilateral breast cancer, of which she is now in remission. Tig remains a favorite on late night talk shows, public radio, tours internationally and most recently sold out Carnegie Hall. And now you have the chance to see her LIVE!
